## SAD Questionnaire

Name: \_\_\_\_\_

Department: \_\_\_\_\_

Year of joining: \_\_\_\_\_

### Students

1. Would you prefer to have a simpler website to make the application process easier than the existing website?

No

2. How desirable is to make the website self-explanatory? Comment

Would be nice for other students to make it happen  
that they can find their own solution.

3. Would you try to look for specific fields of study before applying?

Yes

4. What do you think of the interaction with the existing website?

It's well organized

5. How desirable is to keep track of your application process?

6. Would you like guidance in the form of interaction from the college management during the application process?

No

7. Would you like to track your application status regularly, instead of the traditional method used?

Yes

8. Would you like to use a Mobile Application to apply for the university?

No

9. What are your views regarding signing-up to the website before actually applying for the university?

I think it's good because you don't have to put your address, name, etc. later in

10. Would a Live Chat feature with the university administration department be helpful during the registration process?

No

11. Are there any additional features would you like to see in the university portal?

Events, Appointments of lectures

12. How would you rate the current existing university website? (Out of 5, where 5 is the maximum)
