**SAD Questionnaire**

Name: Alonso Morelos

Department: MIBE student

Year of joining: 2015

*Students*

1. Would you prefer to have a simpler website to make the application process easier than the existing website?

   not really. was simple enough.

2. How desirable is to make the website self-explanatory? Comment

   not very. It is simple than most other pages

3. Would you try to look for specific fields of study before applying?

   yes.

4. What do you think of the interaction with the existing website?

   Simple and practical enough

5. How desirable is to keep track of your application process?

   very, but the website already does that in steps.

6. Would you like guidance in the form of interaction from the college management during the application process?

not really. Perhaps a hotline if there are doubts

7. Would you like to track your application status regularly, instead of the traditional method used? It is quick enough. Plus, the college answers swiftly

8. Would you like to use a Mobile Application to apply for the university?

No.

9. What are your views regarding signing-up to the website before actually applying for the university?

It's pretty standard. I don't mind

10. Would a Live Chat feature with the university administration department be helpful during the registration process?

Oh yeah. Do that.

11. Are there any additional features would you like to see in the university portal?

no

12. How would you rate the current existing university website? (Out of 5, where 5 is the maximum)

4/5
